Activity:

A: Planning   **E:** Testing

B: Analysis   **F:** Implementation

C: Design

D: Development and coding

Serial No.	Week/ Tasks	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12	Week 13	Week 14	Week 15
1.	**Planning**															
1.1	- Planning initiation	█														
1.2	- Resource and planning	█	█													
1.3	- Quality Planning		█	█												
1.4	- Contacting			█												
1.5	- Phase review			█												
				◆												
2.	**Analysis**															
2.1	- Gathering business requirements				█											
2.2	- Building trust with users					█										
2.3	- Documenting the existing system						█	█								
2.4	- Develop preliminary data and process modes								█							
										◆						
3.	**Design**									█	█	█	█	█	█	█
																◆
4.	**Development and coding**															
4.1	- Develop system module															
4.2	- Integrate system module															
4.3	- Perform initial testing															
																◆
5.	**Testing**															
5.1	- Perform system testing															
5.2	- Document issues found															
5.3	- Correct issues found															
																◆
6.	**Implementation**															
6.1	- On-site installation															
6.2	- Support plan for the system															
																◆
